

Wiring the Future,
For a Stronger Tommorrow

BAHUBALI

PVC INSULATED WIRES & CABLES

Welcome to Our Product Catalog

About Us

At Bahubali Wires, we don't just manufacture wires—we craft the lifelines of modern infrastructure. Engineered for unmatched durability, safety, and performance, our products are trusted by electricians, builders, and industries across India.

Inspired by the legendary strength and resilience of Bahubali, our brand stands as a symbol of power, protection, and progress. Whether you're building homes, energizing industries, or installing advanced electrical systems, Bahubali Wires ensures seamless conductivity and long-lasting performance.
